## Maitland, Coppell & Co. AMERICAN HOLIDAY IS FELT IN LONDON

Few Changes in the Principal U. S. Issues and Those for the Better.

ROCK ISLAND RECOVERS

Canadian Pacific Is Up Three Points and Copper Also Shows Gains.

Special Cable Despatches to THE SCN. LOND N. May 30. The market here to day showed little activity. The dulling effect of an American holiday made itself felt upon your stocks and when the market closed, there were few changes to be recorded in principal American issues from the prices of Wednesday's closing in New York. In the majority of cases

The Rock Island issues, which suffered a heavy decline on Wednesday on the New York market, recovered somewhat from the closing prices there, but were never theless well below yesterday's market here. The closing price was 2614, the New York equivalent being 251/2, as against a New York last price on Wednesday of 24% and a London closing quotation of

points, with a closing London price of American list. It rose to 72%, New York equivalent 70%. This compared with a closing price on the New York Stock Exchange on Wednesday of 49%. The copper shares also were in advance of the closing quotations on the New York edisting quotations on the New York market yesterday. Amalgamated closed market yesterday. Amalgamated closed market yesterday. Associated as a larger bond issue on more to come to its hearings and answer questions. Some of the leading New York present. Some of the leading New York the loan is made for only one year, as both the Government and the bankers expect that within that time Mexico will be able to place a larger bond issue on more to come to its hearings and answer questions. Coal dealers will be asked to present. Some of the leading New York Henry R. Towne, president of the Meragainst 82% in New York yesterday.

The Bank of England's report showed a marked decrease for the week in gold coin and bullion holdings. The loss was about £678,000. The proportion of reserve to inbilities is now 46.78 per cent., which compares with 51 33 last week, 52.30 on May to and 48.91 on May 2. The highest proportion of reserve to liabilities for the resent year was on February 8, when he percentage was 52.94, and the lowest

### NEW HEAD OF PACIFIC BANK. Orion H. Cheney, Ex-State Superin-

tendent, la President. Orion H. Cheney, ex-Superintendent of Banking, has been elected president of the Pacific Bank, of which he had been vice-president since his retirement from the State Banking Department in 1911. It was prophesied in Wall street when Mr. Cheney formed his connection with the Pacific Bank that he would be promoted to the presidency of the bank before a year to the presidency of the bank before a year was out.

The Pacific Bank is one of the oldest Clearing House banks in New York. It was organized in 1850.

During the time that Clark Williams was State Superintendent of Banking Mr. Cheney was his first assistant and had an active part in the relief work in the panic. When Mr. Williams was made State Comptroller Gov. Hughes raised Mr. Cheney to his place. He is a lawyer by profession.

#### Travelers' Checks For Payment of U. S. Customs Duties

The Travelers' Checks issued by this company in denomina-tions of \$10.00, \$20.00, \$50.00 and \$100.00 are now accepted by the U. S. Government in payment of duties at any Port of Entry. #### MOTOR KICKS HIM FROM BOAT. Arthur Booye's Rescue Thrills Throng at Atlantic City Race.

THE REPORT OF THE PERSON OF TH ATLANTIC CTY, May 30.—Hundreds of persons gathered along the banks of the inlet, witnessing the match race between two new speed boats in the eighteen two new speed boats in the eighteen foot class, witnessed a spectacular rescue. Arthur Booye, at the engine of the Motor Bug, owned and driven by Capt. Nicholas Young, was dectoring and tinkering with the cylinders to keep the slight lead the craft had gained over the Chelsea Special, with Dr. Joseph Thompson, the owner, at the helm.

They had covered half of the first mile of the twelve mile stretch when Booye got too near a section of the engine. He was hurled five feet in the air and landed in the water. The suction of the propellers whirled him about like a cork, drawing him along for a considerable distance. He was rescued with difficulty.

## "HAMPTON'S MAGAZINE" **GIVES UP THE GHOST**

Steries of diamonds there have been Not Enough Money to Get Out the Issue for Next Month.

Stockholders Unwilling to Pay the 10 Per Cent. Asked of Them.

The reorganized company, which has been continuing the publication of Hampton's Magazine in an effort to save some thing for the 25,000 stockholders who put their money in as a result of the great stock selling campaign of a few years ago. has come to the end of its rope. There is no money to publish the June number of the magazine, despite the fact that the forms are already made up. A. Gordon Murray, president of the re-

organized company and the receiver who took charge when the stock selling scheme of the Columbian-Sterling Publishing Company collapsed, said yesterday that it had been decided by the directors to apply to the courts at once for the appointment of a receiver for a voluntary dissolution of the corporation. The magazine," said Mr. Murray, "is for sale, but I doubt if anybody would want to buy it. There is very little market for magazine properties to-day. The advertising agencies come pretty near to controlling the business. I guess it means
